## Full Service Mail-Order Pharmacy for TransparentRx

Your new mail order pharmacy is GoGoMeds! GoGoMeds is a full service mail-order VIPPS-accredited pharmacy serving the Continental United States. It offers real-time support and best-in-class consultations from experienced pharmacists who work with you to find the solutions that best meet your medication needs.

By combining friendly, personal service with online convenience and value, they make your pharmacy experience easy and reliable, improving the quality of life for you and the people you care most about.

*"Service was quick and efficient. I was told when my prescription would arrive, and it did on the exact date. The associate I spoke with to renew my prescription was friendly, treated me respectfully, and handled my renewal with competence."*

- Patricia W.

**For your current prescriptions:** A customer service agent will reach out to you to set-up an account, collect any applicable co-pay, and provide instructions on how to notify us about prescriptions that you need to transfer.
